

SHOP SUPPLIES

SHOP SUPPLIES

You've heard the old adage that time is money. That's why we offer a selection of shop supplies that truly advance your ability to provide timely, cost-effective service. By listening and innovating, Kent Automotive connects you with value-added products for today's service and repair businesses.

We're Your Partner In Profitability

Heat Guard Welding Blanket

This innovative carbon-fiber blanket guards finished surfaces against weld spatter and safely shields staff working near hot areas, such as exhaust systems.

- Lightweight, easy to clean
- Safe to use up to 1,800°F

Hoses & Couplers

Get high-flow pressurized air where you need it with Kent Automotive's selection of products. Start with our Hybrid-Polymer air hoses and combine them with specially engineered couplers and plugs.

- Flexible, kink- and abrasion-resistant hoses
- Couplers available in standard and safety styles

KT11028

WIRE TERMINALS
AND CONNECTORS

Wiper Blades

Now you can carry quality wiper blades and simplify your stockroom shelves. Our blades fit 98% of vehicles on the road today and meet OEM specs for superior bi-directional cleaning. With Kent Automotive, you can deliver a showroom fit and clearly superior results.

- Available in the following styles: Conventional, Hybrid, Intelli-Curve, and Winter
- Featuring natural rubber inserts

Rubber Cleaner

Restore weather stripping, bumpers and other rubber parts to a high shine with Total Rubber Clean. This aerosol product will not harm paint and contains no silicone, which can dry out rubber. For the best results, reach for this product designed for total rubber cleaning.

- Cleans compounds and waxes from rubber trim
- Easy-to-use spray product

Abrasives

Achieve a consistent finish regardless of your operation with Kent Automotive's wide variety of coated, bonded, flap and disc-style abrasives.

KT15131
